VIP TABLES

A person is shown from the back, looking over their shoulder. They are wearing a dark, possibly black, garment and a necklace. In their right hand, they hold a large, open fan with a blue and white pattern. The background is dark and moody, with some light reflecting off surfaces, creating a high-contrast, artistic atmosphere.

Looking to elevate your experience even further? VIP Tables offer a reserved table for your group for the full duration of the event, alongside bottle service, a dedicated host and access to all VIP facilities.

Contact the VIP tables team directly in advance at viptables@broadwicklive.com, or ask about upgrading at the info point on the day, subject to availability.

LEAVING THE VENUE

A person with curly hair is seen from behind, wearing a patterned top. They are in a crowd of people, and the background is blurred. The overall tone is blue and slightly grainy.

Drumsheds is located in a residential area, so please be mindful of our neighbours when you leave.

Keep noise to a minimum, use the bins provided and follow staff instructions to help us make sure everyone can leave safely.
